resort, For all investor.

ASIAN TO ATLANTIC

Policoro-Metaponto new project new Route (red line)

New Silk Roads | China is assembling new trade routes, binding other regions closer to it

In this moment in the “ One Belt One Road “silk way

Why, we can include Policoro-Metaponto? (redline)

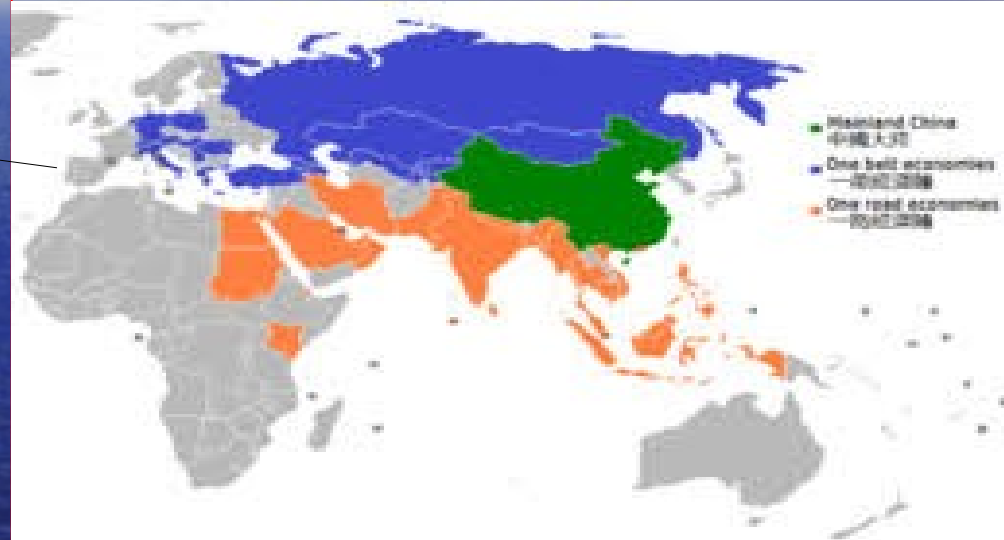

“ One Belt one road “ in this moment
not include the Spain

But, how we can join the Spain?

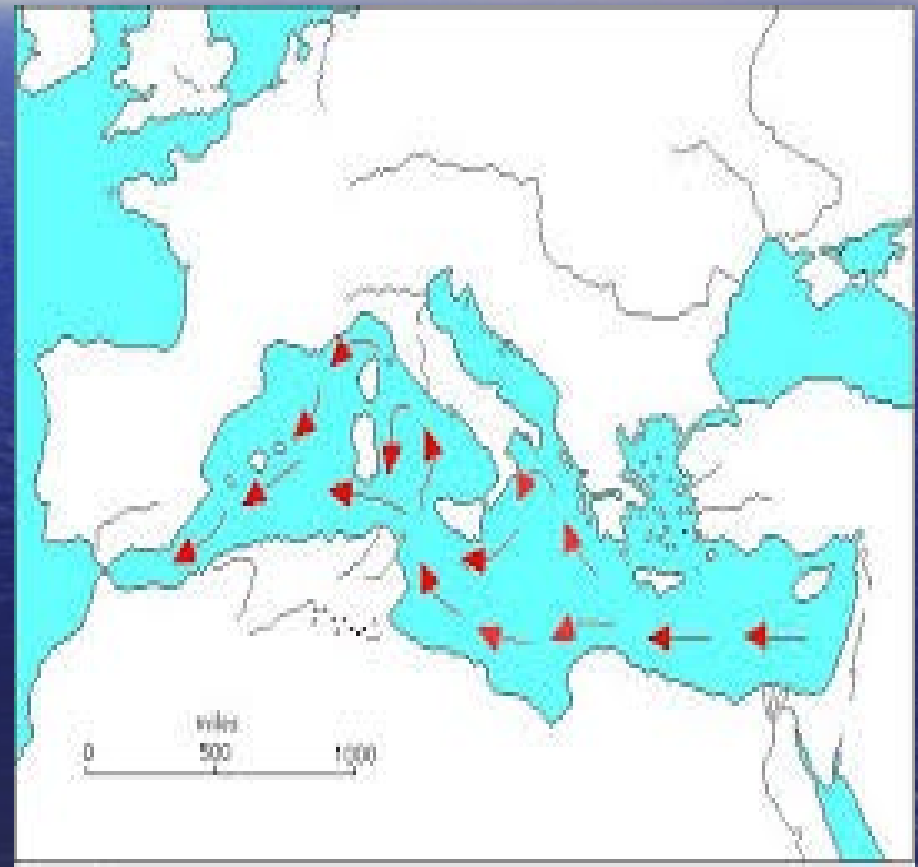

The answer is , the New route!

“Port of Policoro-Metaponto” joinin the Port
of Las Palmas Canary Island and Port of La
Palma Spain.

A Atlantic route connected whit the Silk Way.

On the centre of Mediterranean Sea, a benefit for everyone

Why a advantage This Hub ?

- Seven days savings for container ships, to northern European Ports
- Open space for all investor
- A business at 360° naval, commercial and tourist.

- Saving more than one day to Port of Trieste or Genova

The project involves participation, in the construction of the high-speed railway

- Develops of the connection whit the Silk way to the Atlantic route
